Dirtbag Biography - EN

DIRTBAG is a rock band from Horst, Netherlands, founded in 2010. The band consists of a group of experienced musicians: Robert as the lead vocalist, Gerard on bass, Marcel on drums, and Joop and Frank on guitar. Together, they create a unique sound and deliver an energizing live show that never fails to entertain the audience.

Known for their solid sound and excellent choice of music, DIRTBAG has received much praise and garnered positive reactions. They have performed numerous gigs in the Netherlands, Germany, and Belgium. Internationally, the band has built a loyal fan base eagerly anticipating their next show.

What sets DIRTBAG apart, besides their talent and passion for music, is their impressive setlist of cover songs. They have a knack for putting their own unique spin on tracks from bands like Iron Maiden and AC/DC. Fans always get excited when they hear these songs during a DIRTBAG show.

Whether you have been a longtime fan of DIRTBAG or are new to their music, attending a DIRTBAG show promises to be an unforgettable experience. Get ready for an evening of rock 'n' roll, great atmosphere, and unforgettable memories. Don't miss out!
